

REGIONAL WATER PLANNING GROUP – AREA B

The Regional Water Planning Group – Area B was established by state law, including Texas Water Code Chapter 16, TWDB rules, and 31 TAC Chapters 355, 357, and 358 on February 19, 1998. Area B includes the following counties: Archer, Baylor, Clay, Cottle, Foard, Hardeman, King, Montague, Wichita, Wilbarger, and that part of Young County that includes the City of Olney. The purpose of the RWPG-B is to provide comprehensive regional water planning and to carry out the related responsibilities placed on regional water planning groups by state law. Foremost among those responsibilities is the development of a regional water plan for Area B that identifies both short and long-term water supply needs and recommends water management strategies for addressing them.

The following members of the Board of the RWPG-B terms expire effective August 31, 2011:
